The mission of PreVision Partnership is, **"To Glorify God by Teaching the Church to Reach the World"** through teaching, pastors conferences and evangelism.

Dear Friends and Supporters of PreVision Partnership,

Our special request is that you would consider becoming a regular financial supporter of the ministry of PreVision Partnership (see the panel to your left). Our quick update comes from Peter's end of year letter (below).

Please pray for Peter's trip to India March 17th-April 2nd. He will be conducting pastors conferences and evangelistic events throughout central and southern India.

Peter writes:

*"In recent years, PreVision Partnership has been able to encourage thousands of pastors and leaders through teaching at conferences and evangelism in **South Africa, Brazil, Greece, Israel, India, Nepal, Scotland, England, and the USA**. In addition, thousands of people have come to faith in Christ through evangelistic events held after the pastors conferences. We have also hosted overseas pastors and missionaries on home assignment in the USA and provided ongoing State-side fund-raising, administrative and logistical support to several key like-minded ministries overseas in Scotland, India, Greece, South Africa, and Israel.*

*In 2011, we hope to lead and teach at pastors conferences and evangelistic events in **India (twice), South Africa, Brazil, Greece, Scotland, England and USA**. Another goal this year is to see my book, "Hooked on Fishing: Lessons from Jesus on Galilee" sent to the publishers. I am also leading a group of 10 (Fiona and her high school friends) to **Greece in July for Operation Joshua 4** (see <http://www.operationjoshua.net>), where I will do the daily Bible teaching. Fiona returned from last year's trip so excited about missions she signed up her friends for this year! When so many students settle for a cruise, a visit to the Florida beaches, or even a Christian camp, they have chosen to serve God's people in another country for their senior trip. Each of them will have to raise \$2,500 and will help distribute a total of 90,000 New Testaments to the people of Achaia in Greece. Please pray that they would develop a life-long passion to see the whole Gospel taken to the whole world."*
